Devialet unveil new features:

- 5.3 Software Upgrade now available
 - enhancing sound quality
 - adding ultimate daisy chaining capability: dual-mono bloc, multi-room, multi-amplification
- Configurator: D-Premier free online customisation tool
 - Exclusive HD Asynchronous Wi-Fi streamer (Available September)

For a Stereo & Dual-monobloc Demo,
call Jon on **01865 790879**

Devialet will soon be providing a **FREE Online 'Configurator'**, which will allow owners to fully customise the **D-Premier** to their needs. This on-line tool automatically writes your new configuration to the **SD card** provided. Then simply insert the **SD card** into the **D-Premier** to make the changes. Try the full '**Configurator**' demo for yourself at www.devialet.com/configurator/

"The most innovative and advanced amplifier to emerge on the hi-fi scene for years."

EISA Jury

"This is as good as it gets... it really is the real deal."
